LIFE GROUPS

We believe we were created for community. Following Jesus was never meant to be done alone—and that's why Life Groups are such an important part of life at Fultondale First.

Life Groups are small gatherings of people (typically 6–20) where you can build relationships, grow in your faith, and find support for everyday life. They're the place to move from just attending church to truly belonging.

We offer Life Groups for all ages and stages of life. Some meet on campus on Sunday mornings, while others meet off campus throughout the week—making it easy to find a group that fits your schedule.

Life Groups are where real life and real faith come together. If you're not connected to a group yet, we'd love to help you take that next step.

Find a Life Group that's right for you on the left side of this card or at MyFFBC.com/Life-Groups
